**Product:** **Switchboard Matting – Class 0**

**ITL Code** 05145

**Colour:** Black

**Elastomer:** Natural 6mm (4mm also available)

**Governing Specification Adherence** IEC 61111:2009 Class 0  
"Electrical Insulating Matting"

**Grade:** N09

**Working Voltage:** 1 000V

**Proof Test Voltage:** 5 000V

**Withstand Test Voltage:** 10 000V

**Mechanical Puncture Resistance:** Greater than 70N

**Slip Resistance (ISO 59040):** Greater than 50N

**Acid Resistance:** No less than 75% of original values

**Oil Resistance:** No less than 75% of original values
